

Sale of LOTS in Galveston City.
ON the 1st MONDAY in December next, there will be held an extensive sale of LOTS, to wit: one half the Lots remaining unsold in the City of Galveston; and, on the first MONDAY in April, next, the residue will be disposed of.

The Lots, as at present contemplated, will be five per centum to be paid in advance on all purchases, and the residue to be secured by notes bearing interest at six per centum per annum, at four equal installments, with lien upon the property in each instance.

To those who have any acquaintance with the rapidly growing

importance of the land, and the great advantages which it possesses as a commercial depot, over any and all other places in the West of Mexico, it is needless to say, that to the capitalist, it offers an opportunity for profitable investment can only be presented once in a life.

To mechanics of every description, and men of business, it already offers the most substantial encouragement; while to men of leisure, and families seeking health, its genial climate, it offers attractions, not perhaps surpassed on the North American continent.

Agent for the Gates-on City Company.

100 DOLLARS reward will be given for the apprehension and delivery of the fugitive, at Norfolk of JANE, a bright mulatto girl. She is in her 16th year, well grown of her age, and is likely black hair and eyes; mouth and lips rather large; teeth somewhat dark and defective. The endeavor may be made to pass her for white. It is probable she was enticed away, as she was reared on the subscriber's family, who owns her mother and sister, to whom she appeared much attached. She left the family at Richmond, on Sunday, 22d September, on their return from the Springs, where she had been visiting. The arrangement was made for her to go to a friend, where she was to be kept secretly, until a suitable reward should be offered.

To Timber Getters.

SEALED Proposals will be received until the 1st of December next, for the delivery of the necessary quantity of Timber re-
